Curious about Mimosa but unsure where to start? Now is the perfect opportunity to get to know Mimosa and our award-winning product portfolio! With our Link Up promotion going on now through October 15th, 2018, you will receive 2 C5c radios for every qualifying purchase as stated below.

With 500+ Mbps of TCP throughput, the C5c delivers the industry's best value per link and is a snap to deploy. The C5c easily snaps into popular dishes for quick upgrades of existing links.

To qualify for the 2 C5c radios, you must purchase:

- Four (4) Mimosa B24 point-to-point backhaul radios, or
- Six (6) Mimosa B5 point-to-point backhaul radios, or
- Eight (8) Mimosa B5c point-to-point backhaul radios, or
- Ten (10) Mimosa C5c radios
