| <b>Talk</b>                    | ✓           |
| <b>Talk Relay</b>              | ✓           |
| <b>Mounting</b>                | Desktop     |
| <b>Integrated Camera</b>       | ✓           |
| <b>Touch Screen Technology</b> | Multi-Touch |
| <b>Bluetooth</b>               | ✓           |
| <b>Available Colors</b>        | Black       |

## Mechanical

|                           |                                      |
|---------------------------|--------------------------------------|
| <b>Weight</b>             | 1 kg (2.2 lb)                        |
| <b>Enclosure Material</b> | Polycarbonate, aluminum alloy (base) |

## Hardware

|                               |   |
|-------------------------------|---|
| <b>Connectivity</b>           | (2) GbE RJ45 ports 802.11 a/b/g/n/ac WiFi Bluetooth® 4.2 (General use) Bluetooth® 5.2 (Ubiquiti G3 Wireless Handset only) |
| <b>Power Method</b>           | PoE   |
| <b>Max. Power Consumption</b> | 10W   |
| <b>Processor</b>              | Octa-Core ARM® Cortex® A53  |
| <b>Memory</b>                 | Storage: 32 GB RAM: 2 GB  |
| <b>Camera</b>                 | 2592 x 1944, 5MP (Embedded Privacy shutter)   |

## Display

|                                  |                      |
|----------------------------------|----------------------|
| <b>Screen Surface Treatments</b> | Anti-Glare Coating   |
| <b>Size</b>                      | 127 mm (5") diagonal |
| <b>Resolution</b>                | 720 x 1280 HD        |

## Audio

|                                      |   |
|--------------------------------------|---|
| <b>Hands-Free Microphone</b>         | Dual omnidirectional MEMS microphone          |
| <b>Hands-Free Speaker</b>            | Single 2W speaker                             |
| <b>Handset Microphone</b>            | Omnidirectional electret condenser microphone |
| <b>Handset Dynamic Receiver</b>      | Standard wideband-capable audio               |
| <b>Buttons</b>                       | (1) Mute Button                               |
| <b>Headset Support</b>               | 3.5 mm (0.14") audio jack                     |
| <b>LED</b>                           | R/G/B/W                                       |
