

B23 Home Theater Speakers

B23 Home Theater Speakers

State-of-the-art, in-wall, home theater speakers that will rival any cabinet speaker. The B23 Series was designed specifically for the audiophile. Each model is constructed with an anodized, aluminum plate housing and installed with a custom retrofittable MDF enclosure to ensure exact air space control and the tightest audio your ears have ever heard. For home theaters that need lots of power, the jaw-dropping performance of the B23 will leave you in awe.
